BAIT HEADS

Featuring Hyper Vis Shimmering Attractor tape!

Hotfish original design meat heads are designed for 4-3/4" to 5" Herring fillets/strips or Sardine. Plastic will not be compromised by plastisol artificial strips. These Bait Heads are unique in that they have a wider trolling speed range than others on the market. For best roll and flick action, troll between 1.5 - 3 MPH, use with 1/0 Treble Hook or smaller and no higher than 40lb test line. No tuning necessary and not recommended.
